

**FOR IMMEDIATE RELEASE:  
LAURYL SULFATE + HER LADIES OF LEISURE RELEASE THEIR DEBUT ALBUM,  
“DANCE MUSIC SAVES LIVES” IN FEBRUARY, 2019**

**“It’s life-affirming but it doesn’t put up with anybody’s shit.”- The Milwaukee Record**

**“Dance music at its most pop-forward, filtering the singing-into-a-hairbrush exuberance of classic Madonna through the half-rapped/all-attitude mentality of Kesha, with a little bit of Beyoncé’s no-nonsense politics thrown in.” -Shepherd Express**

Lauryl Sulfate and her Ladies of Leisure are proud to announce the release of their debut album, *Dance Music Saves Lives*, a love letter to the dance music we grew up with, and its power to transform and heal us.
